Historical Society Displays Class Pictures and Memorabilia

The Plain Township Historical Society recently displayed class pictures and other memorabilia from Middlebranch, Plain Center and Washington Hall schools at the Middlebranch Post Office. These items dated back to the late 1800's and included names of pupils, teachers, superintendents and school board members. Future displays are planned, including one at the North Canton Library.

The items featured here are just a sampling of what was showcased in the display. The Society prides itself on collecting and preserving original items that depict our community's history. Dawn Pegg of the Plain Township Historical Society stated, "The display drew a great response from the community, including calls from family members of individuals in the pictures who wanted copies for their own collection."

The Plain Township Historical Society's next meeting is November 20th, when they will tour the Hoover Farm and Estate (now Fieldcrest). For more information on displays or events hosted by the Society, please contact President Tom Pieper at 330-494-6187 or Dawn Pegg at 330-493-1731.

Souvenir card featuring names of pupils from the 1900 – 1901 class of Middlebranch School. Includes name of teacher, E. E. Stoner, and Board of Directors names.

Middlebranch School, Class year 1912 – 1913, Teacher Cora Heintzleman
